---

Hi [REDACTED]

By my reckoning this is day 15 of the 30 allowed. I know [REDACTED] is well on the case, which is excellent, and I gather that a requisite 'badger sett disturbance' licence relating to the thinning at [REDACTED] was rapidly granted, so that's good too. Give me a call if there is anything you want to discuss. I am happy to help in any way I can.

Best wishes,

[REDACTED]
