Hi [REDACTED]

I am trying to finalise advice to Ministers on this to go up this week. [REDACTED]

[REDACTED]

Before going to Ministers it would be good to confirm this is the case – is there any doubt?

Also I think the application in question is the only one we have in relation to poultry – could you confirm also?

[REDACTED]

You may have discussed with [REDACTED] but she is on A/L so grateful for confirmation.

Thanks,

[REDACTED]
