RSPB Conwy

Wild about Nature Volunteer

We want to inspire visitors to RSPB Conwy about wildlife and encourage families to explore nature for example, by encouraging them to look through the telescopes in our hides, by providing the chance for children to go on a bug hunt or simply by helping them discover the amazing nature that can be found on our trails. RSPB Conwy has received funding from the Heritage Lottery Fund to support this volunteer opportunity

Learning Assistant or Learning Support Volunteer

Our exciting learning programmes aim to give young people the chance to experience nature first-hand and by helping the groups you can be part of that exciting journey of discovery! If you are a good communicator and interested in education this role is for you
