Special Protection Area Extensions in Wales

Aberdaron Coast & Bardsey
Island SPA – 9km Extension

Grassholm, Skokholm & Skomer
SPAs – 2km & 4km Extensions

Protecting foraging areas for birds at sea is **essential** for creating a **safer environment** for maintaining **healthy** and **productive** colonies.

Please help us to **give nature a home**

To find us on **facebook** and **twitter** please search **rspb cymru**

For more information on the Extension of Special Protection Areas in Wales please visit

www.rspb.org.uk/wales
